## Unsolved Murders

Murdered in 1989

Daniel Lauer

The Bodies of Daniel Lauer and Annamaria Phelps were found under a blanket nearly two months after Lauer's car was found at the I-64 West Rest Area in New Kent County. The bodies were discovered in a heavily wooded area two miles east of the Rest Area. The keys were left in the ignition of Lauer's Chevy Nova and the driver's door was locked. Phelps' purse was found in the car but her wallet was missing. Money that was given to Lauer earlier in the evening by his parents was also missing.

Annamaria Phelps

Historically these cases have been linked by the authorities as part of the "Colonial Parkway Murderer" and are consider the last of the serial killers victims. We are asking for your help solving these cases. Do your part to help bring these victims family's justice. Please call us at 804-326-9669 Ext. 4 for our tip line or you can reach us through our website at [www.morsepi.com](http://www.morsepi.com) with any information you may have. A reward of \$1,000.00 is offered in this case by Morse Investigation Services for information that leads to the arrest and conviction of the murderer(s).
